

# Meridian 411 Sedan - "Melissa Ruth "

The Meridian 411 Sedan has overnight accommodations for six people with a spacious master stateroom, featuring an optional entertainment system with 15-inch LCD TV and standard pillow top innerspring mattress; a guest stateroom with a pillow top innerspring mattress; and a dinette that converts to a comfortable bed. Like all Meridian yachts, the wide-open salon features premium gloss cherry wood finish, plush cut-pile carpeting, and a layout that features living-room-style seating for everyone. Generous storage guarantees maximum convenience for lengthy stays on board, and if you're shorthanded, the broad side decks and molded-in steps between cockpit and bridge ensure that a couple can handle this 46-foot yacht with ease. What's more, the 411's large bridge deck offers an optional entertainment system with Sirius satellite radio and the latest in Northstar navigation and communications systems. Add to this package standard underwater exhaust, and you've got the best and most versatile cruising yacht in its class.
