Bavaria 32

You'll like the attention to detail. You'll savor the comfort and interior space. Nothing has been overlooked in this latest offering from Bavaria.

The saloon, lined with lots of lockers including glass racks, is the highlight of the Bavaria 32. There are handrails to help your passage in a seaway, opening portholes and 12V halogen lighting. The central mahogany dining table has two opening leaves and magazine storage.

Plenty of room exists to move through the saloon when the table leaves are folded away
