

# Chloe Marina

## Beneteau 41 (2014)

The interior follows an established layout, prioritising good sized cabins as well as dual heads, all with above average headroom. The styling is more modern than usually seen on sailing boats but respects all the sea-going needs, good storage and ergonomically friendly and with lots of wood. The galley is huge, fridge /freezer, large cooker, etc. The saloon is also very spacious and can be configured on port side to create a feeling of space and comfort.

Equipped with many options, this yacht will make for luxury sailing vacationing, ease of sailing and navigation.
